In the Land of Thune, adventure awaits...

Billy the Barbarian is an Isekai adventure story about a normal man from our Earth whose destiny changes when he gets snatched up by the gods of a magical world. He then wakes up to find himself in a strange, cruel land known as Thune to the locals. It turns out the gods of Thune have pretty big plans for Billy, and before he knows it he's swept up into an adventure the likes of which you've never seen before.

Along the way, Billy absorbs cores that enhance his powers, defeats other gods, and develops quite the following of romantically devoted heroines—all powerful warriors in their own right. This is a tale of love, adventure, loss, and triumph in primitive world. So what are you waiting for? At six novellas, all edited once more for consistency and prose, this series clocks in at over 200,000 words. Billy the Barbarian's bountiful omnibus will give you some bang for your buck!

Content Warning:

This series is not intended for readers under 18 years of age. There are explicit scenes of intimacy between one man and many women (sometimes a few at once). The story, while a light-hearted romp at times, does take a dark turn at a few points. The book features no cheating, no scenes of nonconsent, and plenty of silly, lovey-dovey fun. It was also my first completed series! Enjoy!
