It began as a spectacle like no other.

They called it the Night of the Northern Lights - a phenomenal light show generated by the power of the sun. It ended in a powerless world thrust into chaos.

International bestselling author, Bobby Akart, one of America's favorite storytellers, delivers up-all-night thrillers to over a million readers in 245 countries and territories worldwide.

"Bobby Akart is a genius at creating disaster scenarios."

This new survival thriller series thrusts North America into darkness beginning with the most dynamic city on Earth, New York. The city was filled with excitement as the news media hyped this as a "once in a hundred years" event, promising the famous New York skyline would be painted in hues of blue and green. What they didn't count on was the Perfect Storm creating a solar event so strong that it collapsed the power grid throughout North America.

The city of New York descended into mayhem with remarkable speed. The thin veneer of civilization was laid bare as man fought one another for survival in the city that never sleeps.

It was the day the sun brought darkness.

"He's right up there with James Patterson, David Baldacci, Brad Thor and others that write thrillers. To me he actually surpasses them!"

With over sixty novels published worldwide, Bobby Akart delivers intense, up-all-night thrillers that have you whispering just one more chapter.
