

# Experience the Intriguing World of "Peripheral Vision" by Felix Mitterer

Are you ready to journey into a world where reality blurs and boundaries vanish? Prepare to be captivated by the mesmerizing play "Peripheral Vision" written by the acclaimed playwright Felix Mitterer. In this article, we will delve into the intriguing storyline, delve deep into the characters' psyche, and explore the themes that make this play a true masterpiece.

## The Plot Unveiled: A Story of Suspense and Intrigue

Set in the enchanting Austrian Alps, "Peripheral Vision" takes us on a rollercoaster ride of emotions and reveals a dark secret that has haunted a small community for years. As the play starts, we meet Anna, a troubled young woman who possesses an extraordinary ability to see things that others cannot. Her unique gift becomes both a curse and a source of fascination for the villagers.

### **Peripheral Vision** by Felix Mitterer (Kindle Edition)

5 out of 5

Enhanced typesetting	: Enabled
Print length	: 80 pages
Paperback	: 80 pages
Item Weight	: 15.8 ounces
Dimensions	: 5.25 x 0.25 x 8.25 inches

As Anna's extraordinary abilities come to light, the skepticism and fear of the villagers intensify. They view her as an outcast, treating her with suspicion and disdain. Throughout the play, Anna's struggle to fit into society and her desperate search for acceptance forms the core of the dramatic narrative, creating an emotionally charged experience for the audience.

### **The Characters: A Multifaceted Ensemble**

Central to the play is Anna, whose character is expertly portrayed by Felix Mitterer. Through her interactions with the other characters, we witness the

complexities of human nature and the inherent prejudices that exist within our society. The supporting characters, including the village priest, the enigmatic painter, and a skeptical doctor, help to weave a rich tapestry of personalities, each with their own fears, dreams, and desires.

Mitterer's brilliant storytelling enables us to empathize with the characters, understanding their inner struggles and conflicted emotions. As the play progresses, we are drawn deeper into their lives, questioning our own perceptions of reality and the limitations of our understanding.

### **The Themes Explored: Perception, Prejudice, and the Power of Imagination**

"Peripheral Vision" tackles profound themes that leave a lasting impact on the audience. It explores the power of perception and challenges us to question our own beliefs. The play delves into the consequences of prejudice and the destructive nature of fear when faced with the unknown. It also highlights the limitless power of the human imagination and the potential it holds for both creation and destruction.

Through Mitterer's thought-provoking dialogue and masterful use of symbolism, "Peripheral Vision" goes beyond being a simple story and becomes a mirror through which we can reflect upon our own lives. The play encourages us to confront our deepest fears and biases, urging us to embrace acceptance and understanding in a world often governed by prejudice.

### **Why You Should Experience "Peripheral Vision"**

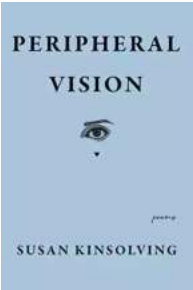

With its unparalleled storytelling and rich character development, "Peripheral Vision" is an unmissable theatrical experience that stays with

you long after the curtains have closed. Felix Mitterer's play transcends boundaries and challenges conventional notions of reality, prompting us to reevaluate our own perspectives.

The play also serves as a reminder that our peripheral vision can offer a glimpse into another world, one that exists beyond the confines of our immediate surroundings. It encourages us to look beyond the obvious and embrace the mysteries that lie dormant within our everyday lives.

Experience the magic of "Peripheral Vision" - a play brimming with intrigue, suspense, and thought-provoking themes. Felix Mitterer's masterful storytelling will transport you to a world where the boundaries of reality are blurred, and the power of imagination reigns supreme.

Don't miss the opportunity to immerse yourself in this captivating theatrical experience that will leave you questioning your own perceptions. Book your tickets now and prepare to have your outlook on life forever transformed.

Peripheral Vision, Susan Kinsolving's fourth book of poems, explores the world from many points of view. She takes her readers to England, Hollywood, Wyoming, France, and Chile. She goes behind the scenes in a military hospital, an elementary school, and a disturbed family. Her poems were described in the New Yorker as "grand and almost terrifying." In this new collection, she proves herself again. As a guest poet and lecturer, Kinsolving has performed at numerous venues, including Harvard, Columbia, and Yale University, as well as Bad Robot in Santa Monica and Bread Loaf in Vermont.
