There's only one alpha of the Fenrir Pack. And he only has eyes for me.

I'm not used to driving in the forest.

But when I come up on a bump in the road,

I have no way to know it's an injured man.

It's all so scary and surreal.

Yet as a nurse, I feel compelled to stop and help.

It turns out this man is named Trey.

And that he has a very hot brother named Kalen.

Kalen looks like he wants to protect me in these woods.

And also like he wants to tear my clothes off in them.

I decide it's time to finally lose my virginity.

And that I want to give it to Kalen.

But as I find out why Trey was really injured,
things start getting very strange and even scarier.
I soon realize that Kalen and Trey are hiding a secret.
It seems they're not just men, but also wolves.
And the pack that Kalen leads is being threatened.

Will my presence help or hurt the Fenrir Pack in its time of danger? And do I
know what I'm getting myself into by falling for its alpha?

The Fenrir Pack Complete Series Box Set is a collection of all four books in
this werewolf shifter paranormal romance series: Loving the Alpha;
Protected by the Wolf Pack; Finding my Alpha and Marrying the Alpha.

All the books feature a strong, handsome shifter and a curvy, feisty heroine.
They have no cheating and no cliffhangers, but they do have plenty of hot
shifter steam and a very happily ever after!
