As you embark on your wild west journey, you'll encounter a variety of challenges, from bandit raids to fierce shootouts. And be prepared to meet legendary outlaws like Billy the Kid and Jesse James, who will test your skills to the limit.

One of the highlights of Frontier Justice The Survivalist is its attention to historical accuracy. The developers have meticulously recreated the distinct Wild West atmosphere, from the wooden buildings and dusty main streets to the authentic weapons and outfits. Every detail has been carefully designed to transport players back in time and make them feel like a part of the old west.

Build Your Own Frontier Town

But Frontier Justice The Survivalist is not just about gunfights and lawlessness. The game also allows you to build and manage your own frontier town, giving you the opportunity to experience the challenges and rewards of establishing a community in the harsh wilderness.

From constructing buildings and farms to recruiting and training a band of loyal settlers, every decision you make will shape the future of your town. Trade with neighboring settlements, expand your territory, and establish law and order to ensure the prosperity and safety of your people.

As the sheriff of your town, you'll have to make tough choices on a daily basis. How will you handle disputes? Will you be a fair and just sheriff, or let corruption and greed seep into your rule? It's up to you to maintain the delicate balance between being a respected lawman and a feared gunslinger.

Form Alliances and Challenge Other Players

Frontier Justice The Survivalist doesn't limit your adventure to solo play. The game offers a multiplayer mode where you can form alliances with other players and compete against rival towns for resources and power.

Join forces with friends or forge new alliances with players from around the world. Together, you can undertake epic quests, trade goods, and wage battles against common enemies. But beware, as not everyone will be friendly. As any true pioneer knows, the Wild West can be a treacherous place, and not everyone can be trusted.

□□□ The Survivalist is "a cool cross between Justified and The Walking Dead." □□□

□□□ Check out Dr. Bradley's new apocalyptic western, "The Watchman." □□□

The Superpox-99 virus has wiped out nearly the entire human race. Governments have collapsed. Cities have become graveyards filled with unspeakable horror. People have resorted to scavenging from the dead, or taking from the living. The entire industrialized world has become a wasteland of abandoned cars, decaying bodies, and feral animals.

To stay alive, U.S. Deputy Marshal Mason Raines must forage for food, water, and gasoline while outgunning those who seek to take advantage of the apocalyptic anarchy. Together with his giant Irish wolfhound, Bowie, he aligns with survivors of the town of Boone in a life and death struggle against a gang of violent criminals. With each deadly encounter, Mason is forced to accept his place as one of the nation's few remaining lawmen. In a world now populated by escaped convicts, paranoid mutants, and government hit squads, his only hope to save the townspeople is to enforce his own brand of frontier justice.
