

Into The Drowning Deep Mira Grant - Encounter the Chilling Tale Under the Sea

Have you ever wondered what lurks beneath the depths of the ocean? If you are a fan of gripping and eerie tales, then "Into The Drowning Deep" by Mira Grant is a must-read for you. This thrilling novel dives deep into the unknown, blending elements of science fiction, horror, and mystery to create a truly engaging and unforgettable story.

A Synopsis of the Book

"Into The Drowning Deep" takes readers on an expedition to the Mariana Trench, the deepest part of the ocean, in search of evidence for the existence of mermaids. The previous voyage, known as the Atargatis, ended in tragedy when all the crew members disappeared without a trace. Now, a new team is determined to uncover the truth behind the mysterious events.

The story centers around Tory Stewart, the sister of a crew member lost during the ill-fated Atargatis voyage. Driven by a desire to find answers, Tory joins the new mission, hoping to uncover the secrets hiding beneath the surface. As the team descends into the deep, they soon realize that they are not alone. Something sinister lurks beneath the waves, and it is hungry for human flesh.

New York Times bestselling author Mira Grant, author of the renowned Newsflesh series, returns with a novel that takes us to a new world of ancient mysteries and mythological dangers come to life.

The ocean is home to many myths,

But some are deadly. . .

Seven years ago the Atargatis set off on a voyage to the Mariana Trench to film a mockumentary bringing to life ancient sea creatures of legend. It was lost at sea with all hands. Some have called it a hoax; others have called it a tragedy.

Now a new crew has been assembled. But this time they're not out to entertain. Some seek to validate their life's work. Some seek the greatest hunt of all. Some seek the truth. But for the ambitious young scientist Victoria Stewart this is a voyage to uncover the fate of the sister she lost.

Whatever the truth may be, it will only be found below the waves.

But the secrets of the deep come with a price.
