Kovacs, a former UN elite soldier, finds himself in Bay City, or what we once knew as San Francisco. Hired by the wealthy Laurens Bancroft, Kovacs is tasked with solving Bancroft's murder. The hunt for the killer

leads Kovacs on a dark and twisted path, uncovering shocking secrets along the way.

Buckle Up for Broken Angels

Now that we have a glimpse of Kovacs' world and his remarkable abilities thanks to his Envoy training, let's explore the heart-pounding adventure in Broken Angels. Morgan continues to push the boundaries of science fiction with this electrifying sequel.

The Plot Unfolds

Broken Angels takes place several decades after the events of Altered Carbon. Kovacs is now a Mercenary, traveling between different planets and taking on dangerous missions. When he is offered an irresistible opportunity by the mysterious and wealthy Kovacs family, he finds himself on the planet of Sanction IV.

Sanction IV is the site of a long-abandoned Martian colony that was initially established to harness alien technology. The Kovacs family wants Kovacs to lead a team in recovering an ancient alien artifact that could change the course of human history forever. But as always, things are never as straightforward as they seem.

An Intense Exploration of War and Humanity

Morgan masterfully weaves together themes of war, politics, and the human capacity for both great heroism and abominable acts. As Kovacs and his team delve deeper into the Martian ruins, they face not only physical challenges but also philosophical dilemmas that test their moral compasses.

The author uses the backdrop of war and the search for extraterrestrial technology to raise thought-provoking questions about the nature of humanity. What drives us to wage wars, and what are the consequences of our actions? Can we truly escape our past, or are we destined to repeat our mistakes?

A Cast of Intriguing Characters

Morgan excels in crafting complex and compelling characters, and *Broken Angels* is no exception. From the enigmatic Kovacs to the fierce military genius Colonel Tanya Wardani, each character adds depth and richness to the story. They all have their own motivations and secrets, creating an intricate web of alliances and betrayals.

Why *Broken Angels* is a Must-Read

Here are a few reasons why *Broken Angels* is an absolute must-read for fans of the Takeshi Kovacs series:

1. A Thrilling Blend of Genres

Richard K. Morgan seamlessly blends elements of science fiction, cyberpunk, military fiction, and even noir detective stories, creating a unique and exhilarating reading experience. *Broken Angels* effortlessly appeals to a wide range of readers, satisfying lovers of various genres.

2. Exquisite World-Building

Morgan's attention to detail shines through in his world-building. He paints a vivid and immersive picture of a future society shaped by advanced technology, interplanetary politics, and the remnants of an alien civilization.

The intricacies of the setting add depth to the narrative, making it feel all the more real.

3. Thought-Provoking Themes

Beyond the heart-pumping action, Broken Angels delves into deeper philosophical questions that challenge the reader's perspective on war, humanity, and the consequences of our choices. It pushes us to reflect on our own morals and values, leaving a lasting impact.

4. Takeshi Kovacs: A Complex Protagonist

Kovacs is more than just a badass mercenary. He is a character with layers, haunted by his past and struggling with his own identity. Witnesses to his transformation throughout the series will empathize with his strengths and vulnerabilities, making him a protagonist you can't help but root for.

A That Leaves You Craving More

Broken Angels weaves an intricate tapestry of mystery, action, and thought-provoking themes that will keep readers hooked from start to finish. The explosive will leave you breathless, eagerly awaiting the next installment in the Takeshi Kovacs series.

So, buckle up and get ready for a mind-blowing adventure with Takeshi Kovacs in Richard K. Morgan's Broken Angels. Once you enter this mesmerizing universe, you won't want to leave.

Welcome back to the brash, brutal new world of the twenty-fifth century: where global politics isn't just for planet Earth anymore; and where death is just a break in the action, thanks to the techno-miracle that can preserve human consciousness and download it into one new body after another.

Cynical, quick-on-the-trigger Takeshi Kovacs, the ex-U.N. envoy turned private eye, has changed careers, and bodies, once more . . . trading sleuthing for soldiering as a warrior-for-hire, and helping a far-flung planet's government put down a bloody revolution.

But when it comes to taking sides, the only one Kovacs is ever really on is his own. So when a rogue pilot and a sleazy corporate fat cat offer him a lucrative role in a treacherous treasure hunt, he's only too happy to go AWOL with a band of resurrected soldiers of fortune. All that stands between them and the ancient alien spacecraft they mean to salvage are a massacred city bathed in deadly radiation, unleashed nanotechnology with a million ways to kill, and whatever surprises the highly advanced Martian race may have in store. But armed with his genetically engineered instincts, and his trusty twin Kalashnikovs, Takeshi is ready to take on anything—and let the devil take whoever's left behind.
