The bestselling Sam Reilly Action and Adventure series!

The Last Airship

A long-lost airship with a deadly cargo. . .

In 1939 a secret airship departed Germany in the dark of night filled with some of the most influential people of its time, each carrying their most valuable possessions.

One such item amongst them was as dangerous as it was priceless.

The airship never reached its destination.

In present day, former Marine troubleshooter Sam Reilly discovers a missing clue about the lost airship, triggering a violent treasure hunt against the most dangerous and ruthless men in the world today. . .

. . . and time is running out.

The Mahogany Ship

An ancient shipwreck.

A pyramid half a mile below the sea.

And a puzzle that must be solved before it destroys humanity.

More than 200 years ago, the Emily Rose became shipwrecked on the southern coast of Australia. The survivors were forced to walk nearly a thousand miles through the unexplored land to reach the only established settlement, Sydney Cove.

Hundreds of miles into their journey they discovered something strange. Something that couldn't possibly exist.

In present day, Sam Reilly and his team of ocean investigators are exploring the unknown cause of the widespread death of sea life within the Gulf of Mexico.

The two mysteries may just be entangled, and failure to solve them both will result in the greatest threat to ever face the human race.

Atlantis Stolen

A civilization stolen from the history books.

A billionaire's obsession to unlock its secrets.

A brotherhood determined to hide the truth.

And time is running out.

Only a handful of people know what destroyed the ancient Atlanteans, whose very existence is a secret that they will kill to protect. Unfortunately,

the very same catastrophe that destroyed that once proud civilization is drawing near once more.

The question is, can marine biologist Sam Reilly discover the truth in time to prevent it?
