BONES

As President of the Rebel Saints, it's my duty to protect my men and this town. Together, Harper and I are combustible, but so is building tension with our rivals. Things are reaching a boiling point and ready to explode. Not everyone can survive the fallout.

SMOKE

The Rebel Saints are my brothers and the most important people in my life. Until my one-night stand from twelve years ago shows up on my doorstep...with my son. Now, I have another family to protect. No matter who or what it is that threatens them.

NUMBERS

Helping the Rebel Saints go legit would be a lot easier without the Devil Riders stirring up trouble...And if I hadn't just been arrested for a crime I didn't commit. Thank God for the intelligent and beautiful attorney who comes to my defense. I'll protect her at any cost. Even if it means risking everything.

INK

With the cartel breathing down our necks and the Devil Riders gunning for us, the last thing I need is the complication of a beautiful woman. My loyalties are stretched. But when shots are fired, I'm going to protect what's mine.

CHALK

The only thing more important to me than my brothers in the Rebel Saints is my daughter. So, when her mother shows back up unannounced, it not only messes with my world...it also twists my heart. This is our chance to have a real family. As long as the enemies waiting in the shadows don't strike and destroy it all before it even starts.

BEAR

With everything the Rebel Saints have going on right now, the last thing I need is to get involved with Delphia. Yet from the moment I see her, I can't seem to stay away. But she's keeping a secret. One that could get her killed. When she runs...I have to chase her.
