She's in danger. I am the only man who can keep her safe.

After a long day at work, I didn't expect to run toward danger in my picture perfect, quiet neighborhood.

My sweet, sexy neighbor has no idea she's in trouble.

I swooped in and rescued her.

She swears she's not in danger and doesn't need my help.

I've fought in a hidden war for five years.

I can snuff out trouble in the blink of an eye.

Whether or not she wants my help, I will protect her.

I am the Navy SEALs Special Operative they call when the world is burning down to the ground.

I walked away from that life.

I opened the dental practice so I could remain in the background living a simple life.

Now this beautiful woman has pulled me back into war.

Even though it's not my war, I'll die to keep her safe.
