You're beautiful and kind and very smart. But best of all, you're mine.

Do you remember the stories your Grandma used to tell you every night about cursed beasts, village beauties, girls in red capes and wolves in disguises?

Well, maybe, just maybe... they actually do happen. Maybe, beasts do exist.

They do. I would know. I am bound to one.

Whom, you may ask?

Well, I am mated to the Alpha King.

How?

You will see.

You will live through it with me.

I am Theia Anderson. I am just like any one of you, human, alive, and breathing.

But unlike any one of you, I've stumbled upon a world that until yesterday... I couldn't even fathom into existence.
